

Welcome to the new and improved KravAmerica.com! We have made finding a quality Krav Maga instructor/school easier by offering the most comprehensive list of Krav Maga schools available within The United States, Canada and Central and South America. With over 340 school listings available, you are sure to find a Krav Maga school near you.

For instructors we encourage you to login and keep your listing up-to-date so you can let more potential students find you. [For more information about the what this site can offer instructors please click here](#)
